

# Evans Distribution Systems Aides Disaster Relief Efforts

Posted April 29, 2016

"The American Red Cross depends on corporate partners to accomplish its humanitarian goals. As an integral part of the world's largest humanitarian network, the Red Cross provides relief efforts across the Michigan Region and the globe. It takes great partnerships, and good people coming together with a shared commitment, to make this meaningful work a reality. That's why Evans Distribution Systems is a proud partner of the American Red Cross."

Derek Byrd - Evans Distribution Systems

Be sure to take a look at the good work of your Michigan Region American Red Cross team in action! This recently produced video highlights the amazing efforts of the Red Cross and its ongoing impact in communities across Michigan:
