Evans Becomes Member of MVAA

MELVINDALE, Mich. January 08, 2019 — Evans Distribution Systems is proud to announce that they have become a bronze level member of the Michigan Veterans Affairs Agency (MVAA). The MVAA is an agency providing support, care, advocacy, and service to veterans

and their families. Working with the MVAA, Evans plans on establishing a veteran hiring program to make it easier for veterans to find work and encourage them to apply for jobs with Evans.

On Friday January 4th, 2019, Evans Distribution Systems was also recognized with the Patriot Award, a Department of Defense program, for their support of the members in the National Guard and

Reserve. The Patriot Award is awarded to the supervisor of a National Guard or Reserve member by supporting them in their service responsibilities. The Evans team is very excited in working with the MVAA to grow this program.

More information on the veteran hiring program will come shortly. For any veterans interested in a career with Evans, visit <https://www.evansdist.com/careers/>.
