Evans Opens New Facility in Romulus

MELVINDALE, Mich. February 6, 2019 — Evans Distribution Systems, a full-service third-party logistics provider for warehousing, transportation, staffing, fulfillment, and value-added solutions, is expanding with a new warehouse location in Romulus, MI.

” We are excited about this opportunity to grow in the Detroit area. This additional capacity in Romulus will enable Evans to support the growth of our existing customers as well as provide new customers with flexible supply chain solutions.” said Leslie Ajlouny, VP Business Development of Evans Distribution Systems, “We hope to share more positive news in the future as we expand the services offered in this facility.”

Evans has leased 100,000 square feet with plans to expand to 330,000 square feet of warehouse space in the near future. There are 30 dock doors, 4 ground level doors and the facility is also rail-served by CSX. This will be the second warehouse facility Evans operates in Romulus.

About Evans Distribution Systems
