

COVID-19 Workplace Safety Checklist

COVID-19 has changed the workplace dramatically. As we start to return to the workplace, emphasis on safety and precautions will become critically important to our well-being. Here is a checklist to remind us of the safety measures that we must all follow to keep ourselves, our families and our workplace healthy.

- Wash Your Hands
- Follow the Use It, Clean It Rule
- Wear a Face Covering
- Say No to Visitors
- Disinfect Your Workstation
- Avoid Crowds
- Keep Your 6-foot Distance
- Order Online
- Watch for Symptoms & Report
- Don't Touch Your Face
- Perform Daily Temperature Check
- Keep Personal Devices Clean
- Avoid Touching Things with Your Hands
- Practice Self-Care
- Self-Isolate at Home
- Stay Connected with Loved Ones
- Cover Your Cough/Sneeze
- Stay Informed
- Conduct Virtual Meetings
- Keep Your House/Car Clean
- Stagger Lunch Breaks
- Get Tested if You're Sick
