Our People, Our Promise

As a privately-owned, fourth-generation company, we are proud of our family culture that sets us apart from other staffing companies. We provide employees with stability, dependability and safe work environments that they can be proud of. We also reward performance and recognize individuals who are top managerial candidates.

IT'S EASIER WITH EVANS

Evans Resource Solutions, Inc. (ERS), is a staffing company that specializes in providing businesses with qualified labor for logistics, manufacturing, assembly and other labor-intensive operations. Established as a subsidiary of Evans Distribution Systems, a full-service 3PL, ERS has a unique knowledge of recruiting, training, qualifying, and retaining high quality individuals. We understand first-hand the seasonal nuances of many industries and can match our solutions to your business needs in times of exponential growth.

EXPERTISE

- ▷ Material handling
- ▷ Packaging/re-packing
- ▷ Certified forklift driving
- ▷ Shipping/receiving
- ▷ Order picking
- ▷ Office/managerial staffing
- ▷ CDL A&B truck driving
- ▷ Assembling
- ▷ Inventory control
- ▷ Quality inspection/testing

STAFFING SOLUTIONS

Staffing is not one-size-fits-all. We help local businesses with human resource processes to scale up or down quickly. We adapt to your budget and timeline, providing direct placement, contract-to-hire and project-based solutions. We partner and communicate with you as your business needs evolve.
