Evans Distribution Systems Welcomes New Director of International Solutions

MELVINDALE, Mich., Feb. 24, 2021—Evans Distribution Systems, a provider of third-party logistics and supply chain solutions, welcomed Dawn Harthun, as the new Director of International Solutions.

In her role, Harthun will oversee international sales, solution development, and account management. She brings extensive experience in operations, international supply chain and U.S. trade compliance. In this new role, Harthun will also assist in rolling out Evans' customs brokerage solutions.

"With her experience in international supply chains, Dawn is paving a new path to expand our logistics solutions," says Leslie Ajlouny, Chief Marketing Officer at Evans Distribution Systems. "We are excited to have her expertise and energy on our team and to seamlessly expand upon the services Evans provides to our diverse customer base."

Harthun's career began in the international transportation business working for Maersk and UPS Freight Solutions. She spent 20 years at HoMedics, helping them import and export health and wellness products around the world. Most recently, Harthun was the Director of Operations at Art Van and Loves Furniture.

"I look forward to contributing to the success of the transportation business unit," Harthun says. "My focus will be on working with our existing customer base and capturing new international customers who are not currently utilizing Evans."

Harthun holds an Associate's Degree in Business Administration from Schoolcraft College. She resides in Hamtramck, Mich., with her husband and two children.
