## DRIVER REFERRAL PROGRAM

Owner operators are the backbone of our growing transportation division. We provide drivers with consistent, dedicated lanes within 150 miles from home. We value drivers who work autonomously, professionally and get the job done!

**Start now and receive a \$4,000 signing bonus. On average, owner operators earn \$2,500-\$3,000 per week (5 days).**

Do you know someone that is interested in a driving opportunity? Refer a driver to us and receive a \$1,000 bonus (\$500 upfront and \$500 after 90 days of employment). Please submit referrals to James Szczepanski at (313) 909-8428. IMPORTANT: Applicants must provide your name on the application as verification of the referral.
