### **Evans Distribution Systems Named a Top 3PL by Multichannel Merchant**

**MELVINDALE, Mich. January 10, 2023** — Evans Distribution Systems, a full-service third-party logistics provider of warehousing, transportation, fulfillment, value-added, and staffing solutions, has been recognized as a 2023 Top 3PL Provider by Multichannel Merchant (MCM).

Multichannel Merchant released its eighth annual MCM Top 3PLs directory in late December. This directory lists leading 3PLs in retail, ecommerce, and direct-to-consumer operations. The directory is compiled by Multichannel Merchant's editors to assist businesses in finding fulfillment and logistics providers. Evans Distribution Systems is among 70 providers showcased in the 2023 edition.

"We are honored to receive this recognition from Multichannel Merchant," says Leslie Delekta, Director of Customer Solutions at Evans Distribution Systems. "Fulfillment customers have unique needs that require custom solutions that not every 3PL can provide. This recognition will help us reach new customers that require our capabilities."

The [online directory](#) is designed to match businesses to the best-suited 3PL partner. It allows users to sort profiles based on services offered, capabilities, location, and more.

"As our fulfillment division continues to grow, we look forward to achieving the Top 3PL recognition for many years to come," Delekta says.
