baked to perfection; so
it's time for me to get
going!

I am packaged
and placed into my
custom Girl Scout

ready to roll!!

03

On my way to
Evans Distribution
Systems!
Beep Beep!

04

At Evans, I am picked based
on your online order, packed into a
shipping box, and labeled with
your address.

05

I am loaded onto a truck
and I am making my way
to your house.
See you soon!

06
