Evans Distribution Systems Named Top 100 3PL for 21 Consecutive Years

MELVINDALE, Mich. Oct. 02, 2023 — [Evans Distribution Systems](http://www.evansdist.com), a provider of third-party logistics and supply chain solutions, has been recognized as a “Top 100 3PL Provider” by Inbound Logistics for the 21st consecutive year.

“This year we have experienced tremendous growth in every business unit, while continuously delivering high quality logistics support to our customers,” says John A. Evans, President and CEO of Evans Distribution Systems. “In a growth mode, your people, processes, and technology become critical to your ability to meet and exceed customer expectations. I’m proud of our team and all of our success.”

Earlier this month, Evans [introduced a new 300,000 square foot facility in Brownstown, Mich.](#) In addition, one of its Detroit-based facilities has been expanded by 400,000 square feet, increasing Evans’ total warehousing capacity in Southeast Michigan to more than 3 million square feet. This year, Evans hired and promoted several employees into key management and operational positions and continues to invest heavily in employee training initiatives. Further investment in state-of-the-art technologies designed to optimize operations and improve the customer experience remains a top priority for the company.

“When choosing the Top 100 3PL Providers, Inbound Logistics examines the levels of investment that drive innovative logistics solutions,” say Felecia Stratton, Editor of Inbound Logistics. “We are pleased to recognize Evans Distribution Systems for developing the solutions and expertise that empower logistics, supply chain, and transportation excellence for their customers.”
