### **Evans Distribution Systems Named a 2024 Top 3PL Provider by Multichannel Merchant**

**MELVINDALE, Mich., January 15, 2024** — Evans Distribution Systems, a full-service third-party logistics provider of warehousing, transportation, fulfillment, value-added, and staffing solutions, has been recognized as a 2024 Top 3PL Provider by Multichannel Merchant (MCM).

Multichannel Merchant released its ninth annual [Top 3PLs Directory](#) in December. The directory is compiled by Multichannel Merchant's editors to assist businesses in finding experts in third-party ecommerce fulfillment and logistics services. Evans Distribution Systems is among 52 providers showcased in the 2024 directory.

"Evans has continued to grow its fulfillment operations along with rising consumer demand," says Dawn Harthun, Vice President of Sales & Marketing at Evans Distribution Systems. "Our custom solutions have attracted a diverse clientele in food, cosmetics, and educational industries."

The online directory allows users to search for profiles based on services offered, capabilities, location, and more. According to MCM, editors reviewed submissions from fulfillment providers who offer a range of services and deep expertise.

"In this environment, fulfillment providers must provide flexibility, scale, and innovative technology," Harthun says. "Evans has invested heavily in technologies including artificial intelligence, drones, and automation to provide quality services to our fulfillment customers."
